

Dear Members:

We are interested in organizing a Junior Order of Eagles Club, comprised of the children of our membership. We need your help in contacting youths who might be interested in joining our Junior Order of Eagles Club. Our purpose in proposing a J.O.E. Club, is to let our children know that we are interested in what they do and to give them a place to meet other than on the streets.

The J.O.E. Club shall have its own officers elected by the youths. They shall also have an Advisory Committee, comprised of interested Aerie and Auxiliary members appointed by the Worthy President. Members who are willing to work with the youths on any money-making projects, dances, trips, etc. are welcome. We will offer dances whenever it can be arranged to have the hall with either live or recorded music.

The youths can be hired to work at the club (e.g. bingo concession stand) earning money for its treasury. The club would be self-supporting with money raised through car washes, candy sales, raffles, dances, etc. All Aerie and Auxiliary members interested in giving us a helping hand in guiding our youngsters, please try to attend our first meeting on _____ at _____. Let's show everyone that we at _____ are concerned about our youths!!!
